Hi Carissa,

I have noted that the event staff will be posting all the signs this year. We would normally post on Sonoma Avenue, but we cleared it with them at the meeting that they will be posting on Sonoma along with they're normal posting. Judy stated at the meeting that she may need additional signs on top of what she already has, she would let us know.

I hope this helps.

Thanks,

Larry

Hi Larry,

Can you please clarify if the Parking Department will be posting any signage for the Rose Parade? The Event organizer and Tara and I have different notes...

Thanks!

Hi Larry-

My name is Peter Briceno. I am on the LB Rose Parade Board. Is it possible to pick up more signs from you today? As you know, we are losing them from the rain. Do you have the date designation stickers or do we provide those for the signs? Thanks Larry. You can also call or text me on my cell. 707-321-9687. Let me know.

Peter

Hello Larry, I actually have 93 old No Parking signs that are usable. Some of them have a sticker one two corners – the date on one corner and the times 6 am to 1 pm on one corner. I am thinking I can just change the date sticker.

The spreadsheet I have says that I need 189 signs ... so I am short about 100. Please let me know when and where I can get signs and they don't have to be the heavy cardboard, they can be whatever you guys use, the less expensive the better!

Thanks so much.  
Judy
